There is an error in Table 2 in the published article, Journal of Food Bioactives, 2021;13:93–101, doi: 10.31665/JFB.2021.13263. The correct value in column “mg/100 g” under “D-glucose” is “59.50 ± 7.80”, not “9.50 ± 7.80”. The authors have included a corrected version of the table below.
